Mr. Tim Haunn and Mr. Steve Albiani

I would like to take a moment to express my gratitude for your guidance over the past years. As you are aware, I am in the business of printing and extensive financial planning has never been something I thought I'd be involved with. However, over the past years you have educated me and helped me plan for myself and my family's future in such a way that I feel confident that they will be well taken care of. Your expertise, patience and ability to understand my individual needs have allowed me to put my faith in you for the financial future of my family.

I look forward to many years working together.

Warmest regards,

Dino Siriopoulos
